

Rainy Day Fun ♥ Potato Printing

Family Favourites

Number of Players
Any

You Will Need

- A pencil
- Scissors
- Sharp knife (grown-ups only)
- Cereal box
- Potatoes
- Paints
- Paintbrushes
- Plates or something with a flat bottom
- Kitchen paper
- Card or paper to print onto

What to do

- 1.** Cut the sides off a cereal box. Draw shapes onto the inside of the cereal box and cut out.
- 2.** Peel and cut the potatoes into 1-2cm thick slices. Wash and dry the potatoes before marking and cutting (this will get rid of some of the starch and by drying them they will not be too wet for the cardboard).
- 3.** Place the shapes onto the potato slices and draw around them using a pencil or pen. Have an adult cut them out with the sharp knife.
- 4.** Put some paint onto a plate or flat surface and spread it out.
- 5.** Dip the shapes into the paints and then place them where you want to on the card and press, lift the potato off. If you want to use the same shape with a different colour, just wipe the shape with some kitchen paper before dipping in the new colour.
